

WEB ACCESS FOR THE BLIND, LLC

SUMMARY OF PRODUCTS AND SERVICES EXCHANGED

This summary describes the products and services exchanged under the Client Business Agreement.

1. CLIENT BUSINESS RESPONSIBILITIES

The Client Business will provide, within 60 days, the names and available contact information for four (4) small-business owners as referrals to the Company. At least 1 such referral shall be a professional tax preparer or CPA.

The Client Business will place, or have its web designer place, a small loudspeaker icon on the upper-right area of the first page of its website. The icon will link to a separate website supplied by the Company that reads the Client Business website text aloud.

2. COMPANY RESPONSIBILITIES

The Company will supply an accessibility web page that allows the Client Business's existing website text to be read aloud on request by way of a visually impaired person's screen reader.

The Company will provide website accessibility and SEO audits identifying additional opportunities to improve accessibility and sales. Findings will be presented in technical reports for optional implementation by the Client.

The accessibility services are intended to improve website accessibility and to help reduce exposure to accessibility-related claims.

If the Client does not have a website, the Company will design a website, subject to the Client's final approval, and provide a domain name and hosting with the described reading capabilities.

The Company shall not require or make revisions to a client's existing or company supplied website without client's prior request or permission.

The accessibility service will be provided for at least one year and may continue if the Agreement is renewed.

When appropriate, websites built or modified by the Company may be promoted through organizations serving blind and visually impaired people to generate new customers for the Client Business.

The Company agrees to accept the above Client Responsibilities at a value to the Company of \$8,500 to be applied, in addition to the initial payment of \$2,000, to the full cost of the Web Access program.

The Client agrees to accept the above Company's Responsibilities at a reciprocal value of \$8,500 including with its initial payment of \$2,000 to have a value of the total payment to the Company for the Web Access program.

The company will send the Client a 1099 B form in January authenticating the purchase of the Web Access program to qualify for the American with Disabilities Tax Credit
